In Pursuit of High Image Quality and Ease of Use for Everyone

Overwhelming Beauty

The CJV200 is equipped with a single print head of "330 Engine" in Mimaki's flagship printer.

The technology of precise control of a minimum 3pl ink drop and the print head that delivers high-density prints, even at high speeds, resulting in overwhelmingly beautiful printing.

17.0 m^2/h

Easy for Everyone

Single print head system contributes less cleaning time and adjustment time. The simple design allows you to work quickly and easily.

Reduce Ink Consumption with Just 2 Clicks

Anyone can easily reduce ink consumption without technical expertise. This function is available with any media and profiles.

Easy and Precise

Automatically performs necessary adjustment at the media setup to ensure optimal image quality at all times. (DAS | Dot Adjustment System)
