[illegible][illegible]

⚠ Inks and substrates:

- Please note that properties and adhesion, weather resistance, etc. of ink and substrates can vary.
Please test materials before printing.

 Safety notice:

- ⚠ Safety notice:** These printers produce UV radiation.
To protect your health, please observe the following guidelines carefully:
- Do not look directly into the UV light source, or expose your skin (such as your hands) directly to the UV light source.
 - Depending upon the print mode, some VOCs could be emitted from printed area not yet cured and hardened.
 - In addition, please read and follow the instructions and guidelines of the manual carefully.

Some examples shown in this catalog are artificial renderings. Specifications, designs and dimensions shown in this catalog may be subject to change without notice for technical improvements. The corporate and merchandise names in this catalog are the trademarks or registered trademarks of the respective corporations. Inkjet printers use extremely fine dots, so colors may vary slightly after replacement of print heads. Also note that when using multiple printer units, colors could vary slightly from one unit to another due to slight individual differences. Please note that descriptions and data in this catalog are as of October 2023.
